One Call Links You to a Wide Range of Services

624-HOME (4663)

As part of Mohawk Valley Network's Continuing Care Services, a Call Center has been set up as a one-stop phone service for health care providers, patients and family members needing services.

The Call Center, 624-HOME, provides referral information for:

- durable medical goods through **Mohawk Valley Home Care**
- nursing/therapy assistance through the **Visiting Nurse Association**
- stay at home services through **Senior Network Health**
- home delivery of food through **Meals on Wheels**
- in-home safety call system through **LifeLine**

The Call Center can also provide information and referrals for family members or individuals looking into residential skilled nursing through **St. Luke's Home** or daytime care through the **Adult Day Health Care Program of Faxton-St. Luke's Healthcare**.

Need assistance? Call (315) 624-HOME. The Call Center is open Monday through Friday, 8:00am to 4:00pm with 24-hour answering service support.
